The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

Criterion – VII**7. Innovations and Best Practices**

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

The innovations introduced which have created a positive impact on the functioning of college are:-

a. Upgradation in Academic Ambience:
Cross cutting issues like gender, environment, and human rights have been incorporated in the curricula and seminar, conferences are organized and guest lectures are conducted.
Seminars and power-point presentations have been made compulsory for postgraduate students.
Updating of knowledge through participation in seminars, conferences and workshops both by the faculty and the students
Special classes for weak and advanced learners.

b. Innovations in Research and Extension:
Orientation through awareness programmes.
Orientation through individual assignments.
Excursions and Field Trips
Wall magazine

c. Innovative Infrastructural Facilities:
Modernization of labs.
Green board in classrooms.
Start of built hostel with 50 seat.
Multipurpose gymnasium and table tennis table volleyball, badminton facility.
Auditorium for special programme.
Seminar Hall with DLP and LCD panel

d. Emphasis on ICT in Teaching and Learning:
Internet connectivity is available..
College has wired and wi-fi campus.
Computers in offices and every department and laboratories.

e. Innovative strategies in governance and leadership:
Career and Guidance Cell.
Online Submission of Examination Forms.
Online admission

f. Beyond Syllabus activities:
All the post graduate departments have academic associations.

Alumni association and Parent-Teacher Association (PTA) provide provision of forum where the stakeholders can share their experiences..

National seminars, conferences and workshops are organised/ participated on regular basis.

Preparation of herbarium of herbs and plants.

Linkages- Old age home, Jail and School for deaf dumb etc.

Sport linkages-Sports Association of India.

In the library several activities are introduced among the students to motivate them i.e.

question of the day, thought of the day.

Internal assessment of the students is carried out as exam pattern. Proper time table is displayed on the notice board. So students feel just like examination environment, which helps the students to remove exam phobia. After evaluation of answer books, returned to students, so they can check their faults and rectify them during main examination.

IQAC organize the program to motivate the meritorious students. So from each class and each subject/ paper topper student is selected and award program is organized, where students get certificate and prize. It creates competition among the students for quality enhancement.

Administrative Innovation

The Principal, Professor, Asstt. Professor, Librarian, Sports officer, Asstt. Grade II, Asstt.

Grade III are continuously engaged in administrative work which is mandatory for smooth

functioning of the institution.

Grant of Scholarships – Medals and Awards are given to meritorious students scoring

highest marks in different subjects.

Innovation related to evaluation – Throughout the year continuous evaluation of the

students is conducted in form of unit test & exams. In this way the students undergo persistent monitoring & evaluation all throughout the year.

Teaching through projectors

Personality development training and skill development

Career guidance programme and counselling

Institution, issues ID card for each students and staff member , which has given an identity to each individual that is helpful to them even outside the college.

Our institution has built sports complex with all the facilities e.g. Gym, Badminton Court,

Table Tennis Court and the students are able to utilize these facilities in one campus only since the town is small and they don't get all these under one roof/campus.

Institution organises Induction Programme for newly admitted students to give them all the knowledge of the institution's rules, regulation, examination patterns etc.

Institution also organizes Parents meet so that Parents can give their views and advices as well as they also get acquainted about the institution.

Institution is publishing its own magazine called PRAYAS', compilation of creative articles, stories, poems, thoughts, and humour etc by students.

The display boards in each department, displays latest information regarding respective subjects. Apart from this quotations and information about current affairs are displayed daily on display boards in corridors of college campus.

(Details enclosed in annexure-III)
Best Practice II: An hour of guest lecture:
(Details enclosed in annexure-IV)

7.4 Contribution to environmental awareness / protection

We are taking following initiatives to make college eco-friendly

Energy conservation

- Active consideration is given to replace old fans to cut down electricity bills
- A proposal to replace LPG. For energy conservation we have taken precautions for working in natural light
- Students take care to off the lights, computers and other electrical appliances, when we are not working.
- Tube lights are replaced with Power Saving CFL and LED bulbs to save electricity.
- The college is strictly declared as a **No Polythene zone**. The staff and students are motivated to use paper and cloth bags.
- Stringent power saving measures are observed by the entire college staff
- The students are also motivated to use cycles to save fuel.
- Staff members and students are instructed to switch off the light & fans, when they finally leave the room to save electricity
- Institution is planning to install solar panel in the college campus to save energy.

Use of renewable energy

- At present we are not using renewable energy.
- However, for Information regarding energy conservation, uses of renewable energy and water harvesting we organized a visit to nearby village Kohka where students introduced and educated the villagers regarding Biogas plant, Bio-Fertilizers, and water harvesting
- The NSS workers and the college professors keep inspiring and spreading an awareness about energy conservation measures amongst the inhabitants of the adopted village and those in its neighbourhood

Water harvesting

- Water is the precious natural resource, so we create awareness among students to save and conserve water.
- Rain water harvesting plant is fitted in college campus ensuring water supply for the whole year.

Check dam construction

- The campus has two inter-connected submersible pumps.
- Drinking water points of college are connected with aqua-guards

Efforts for Carbon neutrality

- The carbon emission of college has been made to negligible by plantation in the campus
- Most of the students use bicycles
- We are also running campaign among students for carbon neutrality through lectures
- We emphasize for carbon neutrality during environmental studies subject

Plantation

- Saplings of plants are presented to Guests instead of flower bouquet during various functions and birthday celebrations in order to inculcate care for plants which they will plant when they go home, thereby adding a tree and contributing our bit to save the Earth.
- Institution has developed a Botanical garden in the college campus in which medicinal plants are being cultivated
- The institution also indulges into plantation work in the college campus during the celebrations of Van- Mahoutsav , Independence day, Republic day, NCC day, NSS day etc.
- The Student of Botany dept. were trained about importance of medicinal plants. A Herbal garden with 30 medicinal plants in campus being maintained

Hazardous waste management

- Extra care is taken for the safe disposal of hazardous waste

- Carcinogenic chemicals used in DNA extraction technique by the department of Botany is dumped deep into the soil after using it.
- Roof Water Harvesting Plants of the college

e-waste management

- E-waste is created, which is disposed safely or recycled and returned to dealers

Any Other

- Tips on water and electricity conservation are given to students for energy conservation.
- A paper on environment studies has been made compulsory, focusing on environmental problems and related issues.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths -

1. One and only college in the in the surrounding of Dongargaon with four streams of study- Arts, Science, commerce and Home science.
2. The students are the greatest strength excelling in academic as well as extra curricular activities.
3. The college has great infrastructure sprawling over 16 acres.
4. The College has sprawling sports field one indoor stadium and auditorium

Weakness -

1. In our self finance coursed there is no permanent faculty .
2. Library needs to be computerized.
3. Poor student-teacher ratio for compulsory subject like hindi, english and chemistry.

Opportunities -

1. Opening inter disciplinary courses.
2. Quality equipment and infrastructure can be enhanced with assurance of monetary grant from RUSA.
3. Start subject/courses to make student self- reliant e.g. Fashion Designing, Dietetics, Food Processing, Mushroom Culture, Computer Application etc. It can increase the GER of the college

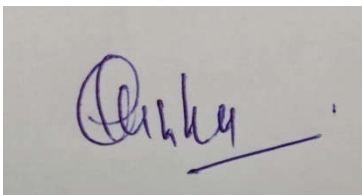

Challenges -

1. Challenge of Technical and Vocational Training courses , it is necessary to establish the need and importance of the various conventional courses.
2. To increase LCT facilities according to the growing demand of the time.
3. To fulfil the responsibility of creating employable youth.
4. Competition from other colleges in the vicinity private colleges offering large variety of courses in flexible ways.

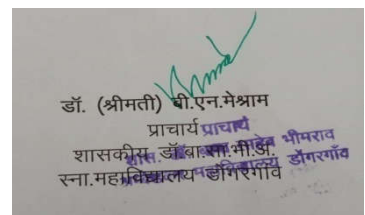

8. Plans of institution for next year

Academic session 2019-20 –

- Furniture for the new class rooms.
- Purchase of computers and chairs for smart class room.
- Make efforts to improve academic performance of students.

ANNEXURE- II

Feed Back Analysis Collected from Stakeholder:-

The College has tried to establish a 360° mechanism to collect feedback from various stakeholders – Students, Parents, Faculty, Academia, Employers and Alumni. The mode of collection is proforma which is collected and analyzed by Feedback Committee formed under the IQAC for the purpose. This mechanism has flashed the spotlight on various areas which need improvement and suggestions for incorporation in the internal quality enhancement process. The feedback committee has reported the following observations:-

Students :-

- (i) Demand to start new courses.
- (ii) With the swelling increase in strength of students every year. There is demand for increase in infrastructures, class rooms, chemistry lab, Home science lab and furniture.
- (iii) The students appreciated the learning environment and encouragement of teachers.

Alumni :-

- (i) Suggested that the Alumni Association to be registered
- (ii) They also appreciated the efforts made by the institution for keeping in touch with them and the cooperation and support meeting out to them.

Employers :-

- (i) Timely submission of reports.
- (ii) Coordinated efforts of all the assignments and programs.

Parents :-

- (i) Parents are satisfied with the achievements and results of the students.
- (ii) Parents appreciated the commitment and dedication of the college staff.

Faculty :-

- (i) To provide overhead mike in class room with large number of students.
- (ii) The faculty appreciated the support and cooperation of administration and non teaching staff.

ANNEXURE : III

Best Practice I:

1. Title of the Practice: An Hour of Cleanness & Plantation

2. Goal:

To inherit good habits in students related to clean surrounding

3. The Context

Being situated in Dongargaon and as part of the sort after Pt.RSU University, Govt.Baba Saheb Ambedkar College gets an enrollment from a wide section of the society from across Rajnandgaon District. The students come from rural as well urban backgrounds with wide ranging economic and social and environmental conditions. The enrollment also reflects a healthy male-female ratio. The College also caters to the students with special needs. In order to accommodate such a wide range of students, the College is committed towards creating an inclusive healthy environment in society that would facilitate equal prospects of learning for all.

Inspired from honorable P.M modi's Clean India Program some useful work given by college to student. According to this program students have to clean their own classroom every day without help of any employee of the college .student also take the responsibility to maintain the development of small tree in pot in college campus

4. The Practice

This program was initiated by merely a single class but soon it was adopted by all the departments. The students themselves decide the entire schedule to clean their class room and to make the surrounding green also . This practice was run to lighten the work load of the fourth class employee so that they can utilize their time in other enviornmental work.

5. Evidence of success

Approx. 100 pots with herbs and medicinal plants were brought .The care taking responsbilties were assigned to the students to bring them to nature. It creates a beautiful eco- friendly environment into the college. Along with this practice we are steping ahead towards Botanical garden with the help of Botany Department.

6.

Problems Encountered and Resources Required:

The college has limited funds for these activities. The scarcity of employees & professors also interrupts. holidays students can not monitor plants and clean their classrooms so additional employees and funds are required from government .

ANNEXURE : IV

Best Practice II:

1. Title of the practice:

AN HOUR FOR GUEST LECTURE

2. Goal:

The goals of the practice are:

To introduce students with an expert of another college

To improve knowledge in each field of the students.

To teach them skills for employment and self employment.

To create interest in useful subjects

3. The Context:

Govt. Dr. Babasaheb Bhimrao Ambedkar College Dongargaon is the only college in 25 km surrounding of Dongargaon with vision and mission to impart quality education through empowerment, skill enhancement and self reliance. Most of the boys and girls hail from remote, rural/tribal areas with poor socio-economic background and orthodox families. Many of them are first generation learners of the families. Due to this type of lecture students get confidence and connect themselves into mainstream of the nation

4. Practice:

The matter was discussed with the staff and students and it was decided that each month at least one lecture organized by the college for each class.

5. Evidence of Success:

More than 100 students have been selected by various agencies and students got permanent job. Two students of mathematics secured second and fifth position in merit list of Hemchand Yadav University.

6. Problems Encountered & Resources Required:

Lack of permanent teachers is main problem almost 2300 students enrolled in college but there are only 6 permanent teachers.

Lack of sufficient number of class room is also a challenge college administration

Shortage of extra fund to pay the different subject expert is also a problem

7. NOTE:

It created positive environment in the campus.

It enhances creativity of the students.

It helps to develop skills for employment and self employment
