

6.4.3 Institutional strategies for mobilization of funds and the optimal utilization of resources

Response:

In every institute, the availability of funds is very essential for any type of developmental work. It is also true that the mobility of funds is also important. If the mobility of funds is in the right direction the institution grows fast. All the expenditure is done in the name principal. However the Principal constitutes a body to give suggestion to spend the money, called the *purchase committee*. This committee is constituted every year in the beginning of the session, or whenever needed. The allocated fund is utilized to purchase equipments, chemicals, furniture, books for library, maintenance and construction work, if any. There are following types of funds received by the college, and its **Strategies** for mobilization are listed below:

1. **UGC fund-** This fund is received from UGC, CRO and Bhopal. Our college code for UGC is 202028. The allocation of UGC is given under some specified scheme, after demanding for it. For example, if the fund is for girl's hostel, then the PWD is authorized for it. The amount is transferred into PWD's account. If the head of expenditure is for some other specified purpose, then the committees of concerned department meet with Principal and discuss about the expenditure according to its budget.

2. **RUSA-** If the fund is under RUSA head, then the items specified under it is strictly followed. For example, if the fund is for construction work, then the amount is given to PWD. If it is for preparatory grant, then suitable program is organized under college RUSA committee with the permission of Principal. In this line, the construction amount was 1crore for new eight classrooms and 38.89 lakh for renovation. After all construction, a utility certificate is generated by PWD.

3. **Equipments:** Equipments are purchased according to need. The HoDs give proposal to purchase the item. After receiving fund, the quotation is invited and a purchase committee monitors the purchase under the supervision of Principal. Bills are audited by the Chartered Accountant, at the end of every FY.

4. **Vidhayak Nidhi:** There are some items for which the MLA fund is obtained. College purchase suitable item under SOP.

5. **Janbhagidari Fund:** There are many classes of UG and 11 PG courses (degree/diploma), run under the self-financing scheme. The main aim of construction of **LOCAL JANBHAGIDARI COMMITTEE** is to earn resources for college, but not for the academic monitoring or managerial issue. This committee is constructed for a time-period of 2-year by the district collector. On the other hand, the Local JBS committee decide how much fees from all students and from self-financing students is to be collected per year, except the governments pre approved fees. The fund is mainly spent for the salary of JBS teachers. This fund is also audited by the Chartered Accountant every year.
